Complete one or more of the early literacy activities on the crayons. After you complete an activity, color it, mark it with an X, sticker it, or mark it in any other way you like!

If you complete the first 5, you'll engage in all 5 early literacy practices: talk, sing, read, write, and play! If you complete any 4 or more, you'll earn a raffle ticket, a free book coupon, and we'll give you a sticker to add to our giant wall mosaic! Just bring this completed sheet to the William Jeanes Children's Library!
