Early Literacy Adventures

Week 3: June 29 - July 5

Child's Name & Age:

_____

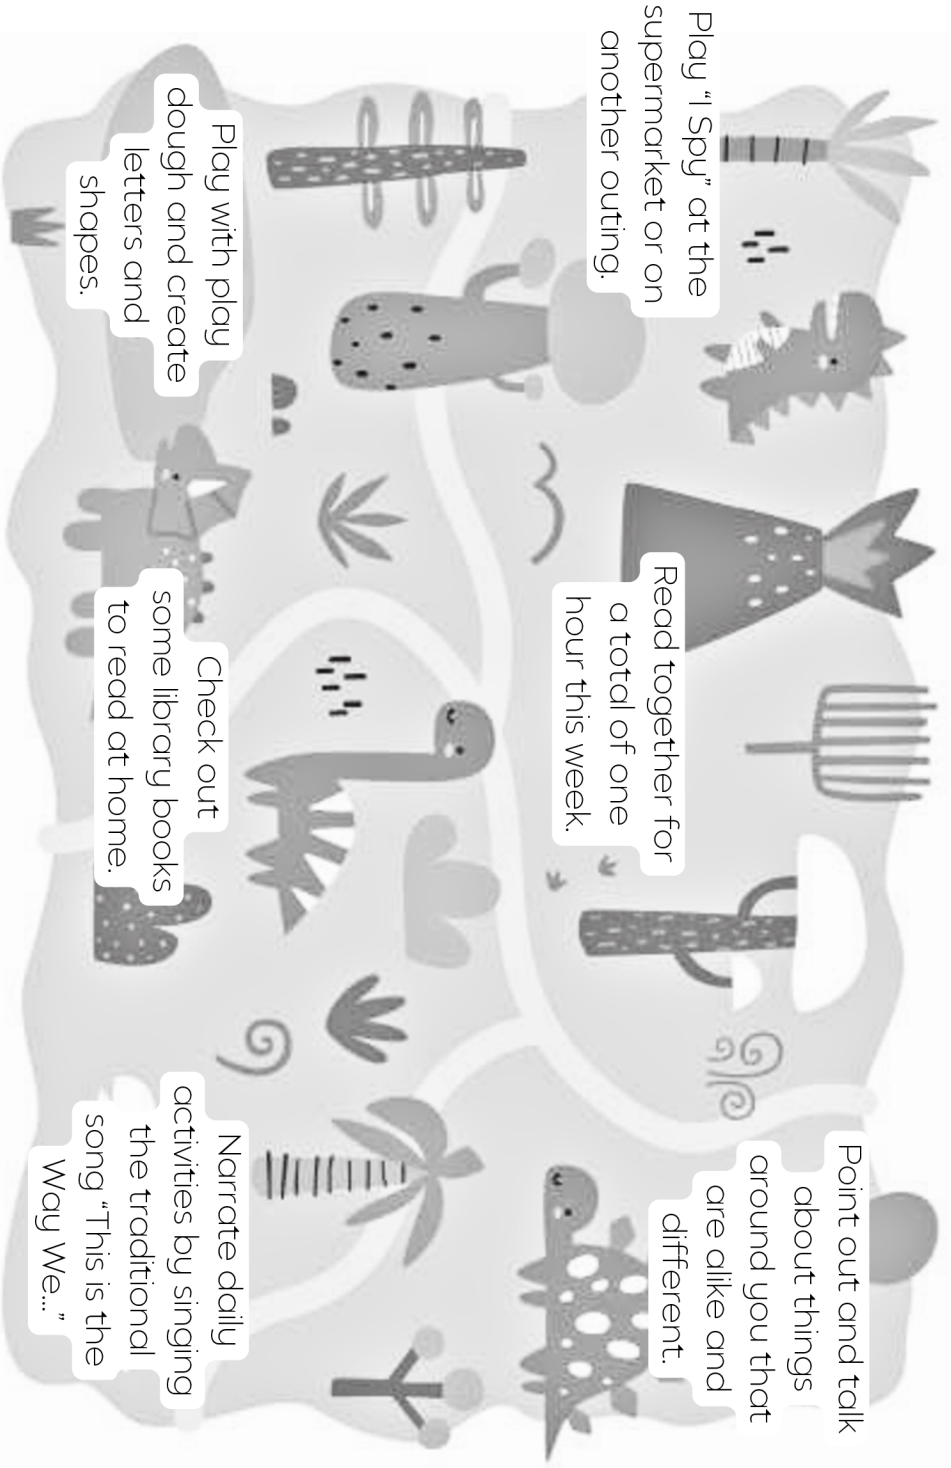
Adult's Phone Number:

_____

Complete one of more of the early literacy activities on the map. After you complete an activity, color it, mark it with an X, sticker it, color it, or mark it in any other way you like!

If you complete them all, you'll engage in all 5 early literacy practices: talk, sing, read, write, and play! If you complete at least 4, you'll earn a raffle ticket, a free book coupon, and we'll give you a sticker to add to our giant mosaic wall! Just bring this completed sheet to the William Jeanes Children's Library!

Earn an additional free book coupon if you participate in one or more William Jeanes programs this week! Can't make it to the Library at the times we offer programs for little ones? Use the QR code to find more than 100 virtual William Jeanes storytimes to enjoy at home!

☐ My child and I participated in one or more virtual or in-person William Jeanes programs this week.


☐ My child and I completed 4 or more of this week's early literacy activities on the other side of this sheet.
